Experience

Director/Owner, Inclement Productions — 2016-Present

I handle all facets of the video production process at my business, Inclement Productions. It is my responsibility to take a client's ideas and transform them into a compelling story that spreads their message in the most professional and cinematic way possible.

Video Production Manager, Smart Marketing — February 2016-March 2018

At Smart Marketing, I was in charge of the video production process. Client relations, screenwriting, directing, and editing, were just some of the many roles I took on at this successful marketing agency in Southeast Missouri.

Facilities Manager, Smart Space — February 2016-March 2018

I had the opportunity of being an integral part in the creation of the regions first non-profit co-working space. It was my responsibility to help with decisions of design, marketing, and functionalities for the organization.

Sales Associate, Radioshack — 2014-2015

Being a Sales Associate at Radioshack, meant that I had to be exceptional with customers while also maintaining my knowledge of current-day technologies. My day to day challenges were listening to issues my customers faced, and how I could best assist them with the large inventory of items we had in store and online.
